Horton & Therobands & Body conditioning – Per class

Open to “workers” only –A technique that is especially good to strengthen and supple up dancers. This program helps deal with body problems. i.e.: weak stomachs, back, ankles, rolled shoulders, turn out, Posture and stance. The exercises are done at the pupil’s own pace, slowly building up each week. Once committed, the results are amazing.

Junior Emporium – R300 per month – Invitation only

Stepping stone to Emporium –With the great success of launching “Emporium”- there is a much needed gap to prepare the pupil, thus I started a Junior version, helping bridge the gap to Senior Class work.

Emporium – R300 per month

Founded in 2000! The ultimate in Dance - challenging classes, promotional work, open work with guest teachers and great shows.

All fees are payable in advance –10% interest is charged on all overdue fees. Fees may only be paid on a monthly basis by prior arrangement. One full terms notice is required for termination of lessons or one term fees payable in lieu thereof – this applies when leaving at the end of the year too.

No Fees - No Dancing!!

Prize Giving:

We will have an annual prize giving held at the end of the year. Certificates gained at various events throughout the year will be awarded as well as certificates for achievement in class.

Last but not least

To get the best results, attendance is imperative and steps found difficult are to be practiced at home. Please make sure that you arrive for class **10 minutes** before to warm up and to be ready for class. It is very disruptive once we start to have late comers.

Dancing is an activity that uses both body and mind and stimulates imagination and creativity. It keeps the body fit and healthy and not only improves co-ordination and deportment, but group co-operation and social skills. Listening skills, concentration and music appreciation are developed as the students learn. Building self-confidence and self-esteem is one of the best gifts we can give both our children and ourselves. Dancing can nurture these in an atmosphere that makes learning FUN.

As parents, encourage your child's dancing, as it will be an asset to her/him later in life.

Dance education encompasses far more than technique and the steps our children learn. The discipline of dance training gives young people a better understanding of commitment through learning, experiencing the spirit of teamwork, and discovering what they can accomplish through hard work. The goal is to educate the minds, bodies, and souls of our students, teaching them the skills needed for a successful life, whether or not they stay involved in dance. Enjoy the journey!

I hope that your dance training at **SCAD** will be most enjoyable.

Yours in Dance

Sarah

“This Year I celebrate 30 years of teaching”

GENERAL:

- ❖ An enrolment form must be completed before the first lesson commences. This is important in case of Emergencies.
- ❖ The studio opens every New Year in the 2nd week of the first term and closes at the end of November for the Christmas Holidays.
- ❖ There is no dancing on break up days and public holidays. At times it is necessary to have lessons during school holidays, but parents will be advised well in advance should this arise.
- ❖ During the Eisteddfod, Dance Festival and Examinations, classes are sometimes disrupted due to the fact that we have to accompany the pupils to these events, which forms part of the studio curriculum. These classes cannot always be made up, however where possible classes are combined to keep pupils in practice and often many extra lessons are given free of charge in the build up to the events.
- ❖ **It is preferred for parents, friends and siblings not to watch classes, as pupils find it disruptive and often do not concentrate. Exceptions to this rule can be made by prior arrangement.**
- ❖ Parents are to please make arrangements for pupils to be picked up promptly after classes. I have other commitments and can't be held responsible for pupils waiting outside the studio.
- ❖ Every precaution is taken to prevent theft and / or accidents when attending classes. In the likelihood of such an event, SCAD can't be held responsible for any loss or injuries incurred.
- ❖ Lost property is kept in the bottom cupboard behind the kitchen door. I collect an amazing amount of school items by the end of each year. All lost property that is not claimed by the end of each year is donated to tears.

SHOWS

A studio show is performed every two years in which the entire studio takes part. The shows are a wonderful learning experience for pupils, enabling them to have a chance to perform on stage in a professional atmosphere, thereby instilling confidence and a sense of achievement.

To make these shows possible and successful, we need the support and assistance of both pupils and parents.

I form a WhatsApp group for each class (put on silence) this really helps with staying in the loop.

EISTEDDFOD AND FESTIVALS

SCAD is an active participant in the Cape Town Eisteddfod, which takes place at Sea Point Civic Centre and the Cape Dance Festival, which takes place at Bergvliet High School and Theatre dance, eisteddfod of the performing arts, held at various venues. Entry fees are charged for these events, which have to be paid by a prescribed date set by the organizers. Pupils are given one pre-rehearsal at these venues before the commencement of the competition.

All own choice dances, duets, trio, quartets and special items are charged separately as they fall outside the normal rehearsal times for these events.

COSTUMES:

The cost of the costumes for the Shows, Eisteddfods and Festivals are at the expense of the parents. I have purchased a number of costumes over the years that, if suitable, can be made available for hire.

EXAMINATIONS:

Pupils who achieve a high enough standard are entered into exams and are examined by examiners from other provinces. The students will enter the Association of International Dance Teachers (A.I.D.T.) modern exams, which is my preferred association.

Pupils who do not enter these exams are still required to attain an expected level to move into the next class. Entrance fees are charged by these organizations to enter these examinations, which vary according to the grade taken.

MEDAL TESTS

These are performance tests! They consist of a Centre Practice, a Floor Amalgamation and a Dance. They are examined by local examiners and are brilliant to help students with balancing, broadening movements, strengthening and letting go, which helps build confidence.

GENERAL DRESS CODE: - This is very important ☺

Correct attire is expected at each and every lesson. No loose tops or pants may be worn in class, as these make it difficult to correct posture. In winter, pupils may wear tight fitting spencer's or proper crossover dance tops.

Students arrive in so much clothing and then forget to take it after class. I have a huge amount of lost property, which I give to charities at the end of every year.

Hair is to be tied back and long fringes clipped away. Pupils with very long hair are to wear it in a bun, which is firmly clipped.

Girls with short hair are to tie their hair back in a half pony. Loose hair hinders the correct use of the head when dancing and breaks concentration.

MODERN DRESS CODE:

Proper leotards or tank tops of any colour or style may be worn for class. Short, tight fitting cycle shorts and jazz pants may also be worn. Unitards are permitted.

All leotards, unitards, cross over tops and jazz pants can be ordered through our studio. Hair to be put neatly in ponytail, clipped back with no loose hair or head bands. There are more things going on than hair in your face.

For Exams and Medal tests:

Entrants are required to match up with their partner i.e. leotards or unitards in the same style and the mixing and matching of colour. No stripped, patterned, flared leg or two tone costumes are permitted. Flesh coloured footless tights are to be worn underneath, no panties.

Hair = Lapebras, elastic, gel, hairspray, hairnet, brush, comb & ribbon

For Eisteddfods and Festivals:

Entrants are required to wear any colour unitards of any style. No sequins, bows or ribbons are allowed for set dances. I have a hiring facility @ R20 per day.

Hair = The same rule as for exams.

Make up = Foundation, blusher, brown and white eye shadow, mascara, red lipstick.

HIP HOP DRESS CODE:

Takkies are essential as they cushion the feet on landing. Jazz pants, lightweight track suite pants and any top as long as it allows movement.

Although this is a more relaxed style it is important in teaching to see that the body is moving correctly.

All dance attire is available through SCAD"
